GUI TOBER 2012!

GUITAR MAINTENANCE GUICLINIC w/ JIM MOURIDIAN

sponsored by D'Addario Strings

Brookline Music School is pleased to present a very special Guitober clinic with guitar luthier and technician Jim Mouradian. On Sunday morning, Guitober 28th, Jim will teach a select number of BMS students the best way to change to strings (with complimentary strings provided by D'Addario), as well as answer your questions about basic guitar repair and maintenance. This is a very special opportunity to learn from a master. Because of limited space, you must contact Brendan Burns in order to register for this free clinic. Please send an e-mail to mail@brendanburns.com
